Dear Jeffery

HH Sheikh Abdullah Bin Zayed Foreign minister of United Arab Emirates is going on South America tour during the month of Oct.

During his official tour beside he will be visiting Argentina, Cuba, Brazil, Dominican Republic, Peru, and Venezuela.

Foreign Ministers and Presidents all of the above countries with exception of Venezuela, and Cuba have confirmed the meeting with HH.

We have the confirmation to meet the Cuban foreign minister. We are confident we will get Raul Castro's confirmation as well pretty soon.

Venezuelan Authorities have confirmed the meeting with their foreign minister between Oct. 7th and 8th. They have not yet confirmed the meeting with the President.

We seek your assistance in getting an appointment with H.E. The President of Venezuela.

yours

Sultan bin sulayem
