My favorite most talented director, Stephen Daldry is losing his hearing....see his email below mind. (I sent you my email to him in case you would also consider coming to our screenings ...even though I know you will not)  
Anyway- we need HELP on getting him to the best ear doctor asap.

Daldrey directed "Billy Elliot" play and film, "The Hours" and "The Reader" and nominated for Oscars for all three. He is major.

I will call you.  
xoxo Peggy

A deaf director is a hat trick. Almost as good as a blind publicist.

I am emailing a few billionaires right now. Back to you this morning.

Wish I had know you were here- had an extra ticket for "A Steady Rain" last night....and location close enough for lip read.

Have "Curb Your Enthusiasm" tonight with Larry David and Jerry Seinfeld coming- great list. Andres will send invite and top guests.

Also, "Precious" on Saturday as centerpiece of New York Film Festival...cocktails, film, dinner...whole cast incl. Maria Carey and Lee Daniels coming...will get a nom...

Also- my personal favorite- "An Education"  
Tues, Oct. 6th at 7:00pm

All invites coming to you asap.  
Sick about the hearing situation. On it.  
xoxo Peggy
