INTERIOR DESIGNER/ARCHITECT

Looking for an excellent draftsman, skilled in technical drawing, likely an architect or interior designer. If person is not a working professional, they need to have had some experience working for a design or architectural firm. At least two years of experience is necessary. Only exception is if someone shows particular talent, ie, been the recipient of certain awards.

Efficiency, good presentation skills, and a keen eye for detail are important. The position will involve travel and liasing between client with some of the finest known designers and architects.

Please only reply to this email if you believe you are properly qualified.

If so, please attach your cv and any credentials to your reply email,

Male applicant preferred.
