Went up the Hogs Back this AM with Manolito. I can't remember the last time I used that many muscles. We were out for 3 hours... You'll never believe what lousy shape you're in till you do this! I took mucho stills and video of the petroglyphs. Just had some lox and cream cheese, now I'm gonna take some sun. Later I'll meet Manolito at the shooting range for some bang bang fun. Tomorrow back to the real world .
I tried calling, but don't have the number at the house.... Called [REDACTED] and now I 'm e- mailing this.
Hang in Johnny
Thanks
Schmitke
