Hi jeffrey

How are things in your end of the world? I am leaving for the US on Sunday, I'll be in Boston next week and then I'm flying to Mexico on the weekend. I'm doing a yoga bootcamp for two weeks.

For how long are you still under house arrest?

I have to move out of my apartment by May next year and was thinking of coming to the US for June and July. I was thinking that I would love to come and visit you for a couple of days during that time, that's if you'll have me. Are you allowed visitors?

I'll have to work on my fat bum before I come and see you. Can't have you teasing me.

Are you enjoying Palm Beach? And have you started dipping into some work?

I was so happy to reconnect with you.

Take care,

Love Francis
