Jeffrey & Sarah...

I was just talking to Sarah about travel arrangements and my cellphone cut out ... I tried to call back at [REDACTED] (Florida Science Foundation) but didn't reach anyone... (I'm not sure what number she was calling from; it showed up on my cellphone as "blocked" ;-)

Cassio flies back to Brazil at 10PM Tuesday from Miami. So, it seems that it would work well for us to meet with Jeffrey tomorrow (Tuesday) afternoon, perhaps flying out of New York to Florida early morning Tuesday [or late night Monday, but I slightly prefer early morning Tuesday \*if\* that works for Jeffrey]

I can come with both Cassio and Itamar if that is of interest ... I think it will be a great conversation ;-)

thanks ;)
