Subject: Deposition scheduling

I spoke to Jessica and Kim (Bruce's assistant) regarding depositions. The overall deposition schedule from each office will be sent directly to me each week so I may put it on the schedule and update as necessary . In addition, each office will send me a list of scheduled depositions for the following week (even if they think it will be rescheduled). Kim also notified me that Janusz is scheduled for deposition tomorrow at 2pm. I will make sure to stay on top of the deposition schedule from Bruce and Bob's office, make sure you are better informed as to what is scheduled and make sure that each office knows the importance of informing us as to deposition schedule.

I am sorry for the inconvenience.
