Subject: Another allegation by another lawyer in an Epstein suit.

Dana,

Wanted to see if Ghislaine would like to respond to yet another lawyer.

Spencer Kuvin, who represents another one of the women suing Jeffrey Epstein, said in an interview:

"I definitely want to depose [Ghislaine Maxwell]. Mr. Epstein's former houseman, Alfredo Rodriguez, said in a deposition that Mr. Epstein he was a fairly normal guy but when she showed up, he became a different person. Sex toys showed up. Rodriguez felt she was a bad influence on him."

Thanks for passing along the quote. I'm at [REDACTED]
