Dear friends,

I hope this finds you well!

I'm proud to announce the opening of New Field Yoga, a spacious multi-traditional yoga studio in the heart of the Financial District (27 Cliff Street just south of Fulton Street). We're now up and running and offer a full schedule of many different styles of yoga--Hatha, Vinyasa, Anusara, and much more--with some of the most sought-after teachers in New York City, as well as all kinds of

massage therapies. With classes like Kids Yoga and Parent & Baby Yoga, New Field aims to serve families as well as individual practitioners. We offer several kinds of packages (10 classes, 20 classes, and one month), student and senior discounts, and, for a limited time, an introductory special of one year of unlimited Yoga for only \$800.

Please check out our website ([www.newfieldyoga.com](http://www.newfieldyoga.com)) for the schedule, class descriptions and teachers' bios.

You can also follow us on Facebook (New Field Yoga) and Twitter (NewFieldYoga).

Thank you for your interest and your support. Please forward this information on to your friends and contacts--it would be most appreciated. We look forward to welcoming you.
