I've been bouncing between Amsterdam, SF, Sea, and now NY, Stockholm, SF, San Diego... have had barely enough time in Seattle to write the talks I'm giving on the road.... I'd love to work on 1-2 of the conferences -- very interested in the music one and have continued to try to track down people for this. Happiness and power are also interesting. Frankly, the whole lot of 'em.

What's your schedule for these?
