Hi Jeffrey!

Hope you're doing well! I wanted to say hello and see how you were doing? I was planning on making a trip to Miami in Sept and was hoping to come visit you but timing was bad with school and work.

I have been doing well...I was admitted into the medical sonography program at NYU and that's what I will be doing for the next 3 years. I am also working at [REDACTED] full time. Speaking of my job, I haven't been feeling very stable here and was thinking of making a change so if you hear of anyone looking for an assistant or receptionist please keep me in mind.

I also have a new boyfriend and things are going well with that! Only 3 months in and he's already meeting my mother!

Anyway, please keep in touch!

All my best,
[REDACTED]
