**Subject:** beautiful interior work

i am artist with 7 years of experience in high-end finishes doing venetian plaster, gilding, faux finishes, in-lay mother or pearl, etc.

i worked as a freelancer for a few interior design companies: asterisk design, faux forum, post logic studio, lillian heather studio, doing jobs for famous arhitects/designers in new york (peter marino, victoria hagen,etc) in new york( upper east side, columbus circle, etc) and arround the country (florida, california, texas, etc)

i am a good draftsman, i have skills of technical drawing, i have a good sense of colours and composition, and i'm very meticulous and good in details, i'm inventive person and i think i could be a good coordinator job, i dont have problems with traveling.

i will attach here a few jobs more complicated i did from scrach.
