Title: [REDACTED]

Just left Ghislaine's townhouse...after party for film. Bill Clinton and Jeff Bezos were there...Jean Pigozzi, director Mira Nair....etc.

Film received tepid reaction although women like it much more...Hillary Swank and Gere at stupid party in Bloomingdales cheap sportwear department....very weird. Studio went for free party from store and windows for a month....
Going to be in Wall Street 2 tomorrowmore to come. xoxo Peg
