I just left freddie mac and am on the us air shuttle heading back to nyc. I will call then. In the meantime I have some critical news. OK. Huge news. HUGE! Just had the greatest burger of my life. Best burger in 50 years. It's called 5 guys. Ridiculous. Blows away even shake shack. There's one in nyc (I went to the one at the washington dc airport). Insanely great. Run, don't walk.
