How do you wish me to respond?  
Dr Edelman put you in touch with her awhile ago I believe!

Hi Lesley,

I hope this finds you doing well. I was wondering what would be the best way of scheduling a phone call to Jeffrey, or if you could let me know when a good time to call him would be. I wanted to reconnect and say hello to him and also to ask his advice and participation in a project I am working on for Dr. Edelman. Let me know what you think.

Thanks! All the best,

Rachel
