Sorry but that's not what happened. I didn't want to do it because I didn't get to finish the books since you made it clear it was more important to have the argument on these 2 days instead of study. And I had to fly yesterday on NO sleep after your call at 2am. I didn't get it done and I take responsibility for that but it was not up to me to spend days arguing right before the test.

Ok.

I will not be able to take the checkride tomorrow since I couldn't study for the oral and finish everything, I didn't get any sleep and I didn't fly in 2 days. I don't think I would pass so I will have to finish in Florida or come back here in 2 weeks.

for the future- it would have been simpler and more accurate to say that- my instructor does not think i'm ready yet to take the test . -- no more / no less
