funny; I wrote that last part right after seeing you and then I decided it was weird but sent it anyhow; you are absolutely right

i liked it..except for the negotiation part. . its jewish, it doesn't really say anything, and there are fundamental rules. there is no need to wait for two years. you can do it every day, it is the basic interaction , for example never accept too quickly,, it makes the other person feel as if they made a mistake

I wouldn't have normally sent this to you, but apropos of the parenting conversation, this is the how teach it part of my new book; you will note that it all starts with the parent as teacher
