This is all new to me as my children are only 11 & 13.

I read through the Essay prior to sending it to you and I agree with you.

What specifically do most colleges look for with regard to "content" ( after your e-mail I understand that the Essay should provoke great interest to the reader)?

Perhaps I need to understand the "purpose" of "The Essay"?

Sincerely,

not good at all.---boring,, not well organized,,, limited vocab, read it,, do you find it interesting,, imagine the guy/girl reading it after reading 200 others,, he will put it down without going through it.
