Thanks Jeffrey!

No need to pay of course ... you already contributed plenty to the conference!!

I will mail them, but I'm visiting a Chinese university till July 16 so I may not be able to mail them till then. (I have some extra copies sitting in my house.)

But, my son is house-sitting for me while I'm gone, so perhaps he can mail them for me ... the question is if he can find where I put the box of books, which I don't quite remember ;-)

Glad you like the volume! The quality is mixed but the best of the papers are very good, IMO.

AGI-10 will be next March in Lugano; hope you'll be able to make it...
