Alan Stopek's gardeners did not show up on Monday. Janusz called them on Monday to see where they were. Janusz spoke to a foreman who told Janusz that they could not make it on Monday but could they come Tuesday. Janusz informed them that Tuesday was no good (you had too many guests). The gardeners were not turned away today. Alan Stopek would like to send some guys over tomorrow to work. The next day they are scheduled to come is Thursday. Please advise.
