**Subject:** Invoice from Mr. Caplinger

Last week I informed Mr. Caplinger that you wanted an invoice by Friday. He told me that he would inform his accounting and get the invoice to Rich. I just spoke to Rich who informed me that he had not received anything. I emailed Mr. Caplinger who informed me that he notified his accounting but they may be waiting until the end of the month to get an invoice together. Should I tell him you would like it sooner?
