**Subject:** Jens PB apt

I just got a voicemail from Jen that her dad booked a ticket to Palm Beach for tomorrow and is wondering if he can stay in her apt here. She mentioned you told her this would be OK toward the end of the month. The only guests we have staying in the apts will be Steve Kosslyn this Friday through Sunday and I was going to put them in [REDACTED] apt. Is it OK for Jens dad to stay in hers starting tomorrow?
