We have the pumps and a plan.  
Doug is working with Barnet on fixtures.  
Curtis

Jeffrey

It was great to see you. I was thinking of your new shower, and wondered if you had told your guys about your desire for extra pressure. They need to run oversized pipes and or we put in booster pressure pumps last time. They may have needed to order your fixtures to have the valves on hand when they are constructing the walls.

Look forward to seeing you again

Gary
