Hello [REDACTED] I had the pleasure of seeing you this past weekend at Diamond nation. I was very impressed with the ease at which you play the game. You are very smooth. You showed outstanding defensive ability and a very nice swing. We would like to get academic info from you. Please fax your transcript and sat scores to [REDACTED]. We are looking to sign a leftside infielder that can make a major impact in our lineup and on defense as a freshman and I feel you can do that. Also please send me your schedule and cell number through email. Look forward to hearing from you
