Would you like to try to set up a time to speak with The Duchess?

:) Les

Dear Lesley,

I believe I met you when I came to the office with the Duchess.  
Quick note to ask if Jeffery would be available to talk to the Duchess today?  
I know she wanted to talk to him about the Mother's Army  
and it's hugely important. But I will let her tell him why.

Please let me know

Thanks so much,

Martin
