Hi...yes thank u, I'm super well....I'm actually very glad I stopped by NY...Richie was actually the only reason...and I had a really good time...shooting in Dallas now and then going to Paris finally.. I also had amazing weekend in London with other friend...and I was playing Polo..and was cantering on horse...it was the best feeling...and I stayed at my friends house there and Richie was actually jealous..which was kind of surprising to me....
How r u?
