Hi Jeffrey!!

I tried to reach you but my computer is broken, well not computer, only the charger and i cant get a mac charger here in my town. How are you?? Listen i need to ask you something, my agent finally called and she was all: "i'm sorry i'm sorry" and she told me that she does have my money but she is away from czech and will be sending everything at the end of july. So im really happy, BUT it is too late!! It completely ruins my holiday, because with the money you sent me i did pay back what i owed, but there was nothing left for me. So i would like to ask you if it is possible that - as my leaving exams present:) - i could somehow borrow the money from you and pay you back at the end of july. Otherwise i have to cancel all my trips and everything.
Please please please, do you think that would be possible?? Thank you so much
Kisses
