**Subject:** New protector

Comparison;

New 40 foot protector with twin Yamaha 350hp from factory in California, \$399,394  
New 38 foot with twin Verdo 300hp \$357,900 located in New England.

FYI

I need to give protector hull number to see if the 2002 boat can handle 350 horse power yamaha's, Sales rep thought it would be ok, since it was rated to 300hp when built in 2002,

Maybe remove the 225 yamaha's from protector and install on Nana?
