Subject: [redacted] wants to connect to you on Yahoo!

Let's connect on Yahoo!

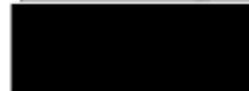

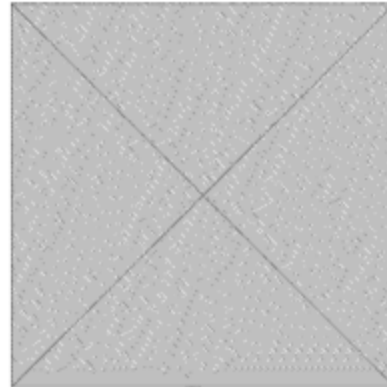

Connecting makes it easy to keep up
with friends and family

- You get automatically updated when I share stuff online - including my photos and reviews
- You can [see my profile](#) on Yahoo!
- You'll get earlier access to [cool new Yahoo! Mail features](#)

And much more coming soon!

[Click here to accept](#)

This invitation will expire after 90 days.
Want to control which emails you receive about your connections and your profile on Yahoo!?
