**Subject:** Re[2]: Hi

I am starting a business walking and sitting with dogs in NY.  
Right now working on website ( [www.nytails.com](http://www.nytails.com) ), business cards and t-shirts.  
Other than that registering at FIT for Fall semester, I have to take only 10  
classes to get Associates Degree in Fashion Merchandising Management.  
And enjoying the rain....  
kisses.....
