Jeffrey,

Thankyou for the use of your apartment. We may try to re-establish in New York, or head for California pending offers.

I would also like to thank you for the opportunity to work on LSJ. Both Silvina & I are happy with our contribution and feel we were successful in pushing the project forward.

An added bonus occurred last week when we were able to entertain our friends here. Because of this visit, my friend was able to locate the grave of his great, great, great, great grandfather, who was burried in the Hebrew cemetery on St. Thomas, as well as a great great great Uncle in the Savan Cemetary. Quite amazing.

We would like to leave LSJ Saturday and stay a few days in St. John, before we head for New York, if this works for you. Then fly to NYC on Thursday July 2.

If you would to discuss any issues, please call anytime.  
Curtis
