Jeffery,

Listen. [REDACTED] said you want her to come visit you again...I know that
you asked me and i said I would take a week off to come see you and you
never responded. I do not want you to feel you have to talk to me out
of some obligation. If all you want is for me to introduce my friends
to you....That hurts my feelings

deeply. Because I considered you a
dear friend and you obviously don't want to see me. I am strong and
will be fine on my own, So I would appreciate you being straight with
me. There have been far too many people in my life who I held dear that
hurt me...I don't want that anymore. Please don't think I am being
dramatic, I have felt this way a while and don't want to skirt around
this subject anymore. There will be no hard feelings on my part and I
am fine with you talking with [REDACTED]. Just let me know.
