To: JEE

Requesting the employment of an additional housekeeper for LSJ.  
Recommended start date 8th July,  
This person would assist Karen, Doloce (existing cleaner) and I to clean prepare  
and maintain existing compound and outer locations.  
Please note everything will need a through cleaning prior to the arrival of our  
special guest and will also need to be maintained at that level, which will  
require at least 2 individual to do so.

For your consideration  
Brice
