Title: Hi

Hey there Jeffrey:

I hope this email actually gets to you.....I have thought of you so often wondering how you were holding up and have sent messages through Ghislaine and Lesley - I do hope you have received them. I believe you are now allowed out to work during the day at an office in Palm Beach, which I am sure is a huge improvement for you. Not going to send too much news....just wanted to touch base and find out if this reaches you first :)

Best wishes & hope to hear back from you.

Mandy
