Jeff,

Any ideas for the MCG Homeland Security fund?

I met Baker a few times and will meet Dunn and the others in DC.  
Their targets, plans and global access are tremendous.  
There are placement fees or participation shares involved as well.  
Let me know.  
Thanks,

Bill

Jeff,

Attached are soft copies of the PPM and Subscription Agreement that Baker + Dunn sent today.  
Hard copies of these documents and the Partnership Agreement will be distributed upon indication of interest.

I look forward to your ideas or comments. Thanks for taking a look.
