Two messages for you:

1. Steve Hanson called for you around 12:45. He said you could call him back at your leisure today or he will try you back later tonight. [REDACTED]

2. Brian Bantry called around 1:10. [REDACTED] had suggested you two speak. He said he will try you back later and did not leave a number. (I asked and he said he would rather try you back later)
