Title: Catching Up Jeffrey-

Hope this email finds you well and you must be excited to end this chapter and begin a new one. I thought about your positive demeanor and strength of character throughout this ordeal and it makes me proud to call you a friend. I am very excited for you and look forward to seeing you soon. BTW – I have had very nice and productive conversations with David M. and appreciate the introduction. Hopefully, we can all do business together one day soon.

Best Regards-
