I did so...i went to the travel agency the one who have less expensive tickets. i searched on cheap tickets...the cheapest offer was 1031\$. i sent you an email,but didn't get a response...i thought it means the ticket is too expensive and i have to cancel the trip. it didn't work this time it will work next time! Jeffrey thank you very much for your good will.

Actually I am preparing to leave soon. I am looking for job in Geneva...for a beginning i would be happy to find au pair, or nannies place while i am study pilates...on september i will see if Susan will keep me in her studio as a trainer if no i will go to Lyon, or i stay in Geneva... i would like to get into the watches and jewelry field... to find the way in such a place is pretty difficult. although, everything is possible...just i need a contacts and good forage language...i've got the sense what is beautiful, what has long last worth...I like beautiful, delicate things...maybe i could find my self in there! i wish i could!

Jeffrey i am sending you best wishes and big big kiss.
