Title: Free at Last!!!

Was meaning to email and call all day.

Will call Tuesday morning.

I received an email from Len just today about "The Baader Meinhof Complex" and he is going to host a screening end of July/begining of August....so I will email and call him about both. Does Ghislaine know this girl? What if Len ask's me if I know her? I will call no matter but will talk to you first.

Went on Pepe and Emilia Fanjul's boat this weekend in Newport...Went to Bailey's Beach friday and sunday for lunch..screamed "Jew on the terrace"

Saturday we went sailing on Jim Clark's 300 foot sailboat "Athena" as his brand new 142 foot sailboat cruised along side us...

Jim spent 5 million dollars on the documentary about dolphins, "The Cove"...which is excellent and won Sundance...he is coming to our New York premiere Wednesday, july 15th. Will tell you about nnew 28 (but I think she is older) Australian model he just married...he is 64/65...etc...when we speak on the phone...very interesting guy. Was dirt poor growing up. Did not make his money till he was 50...only in past 14 years...married 4 times... Best line from Pepe- "A guy like Jim Clarke can never get into any of the fancy clubs in Newport and Palm Beach."

So excited about your FREEDOM.

Leave for Portifino Thursday night...back Sunday, July 26th...thank you thank you for my birthday (17th) present.  
xoxo Peg
