Title: Out of Office AutoReply:

Dean Starr is presently traveling on Pepperdine-related matters to Uganda, Rwanda and Israel. He will not be conveniently able to respond promptly to e-mail for several weeks, but will attend to messages as frequently as his schedule permits.

Please feel free to contact Catherine Whittinghill via e-mail [REDACTED].

Should you require immediate assistance from the Dean's Office, please contact Kyle Knas via phone, [REDACTED], or e-mail [REDACTED].

We apologize for any inconvenience.
