Hello Lesley,

How are you? it's been a long time...  
could you give this note to Jeffrey please?  
Thanks a lot

Dear Jeffrey,

How are you? hope you are healthy and happy.  
On my side life has been ruff but very happy i learned a lot.  
I just left my position at Universal in France i had different propositions that were interesting,  
Universal UK, Canada and even US had received my resume and want to meet with me. It is very  
exciting and i hope that it will lead me to where i wanna go.  
Actually i'm going to London, Montreal and NYC next week.  
I'll be in NY from the 21th to th 24th, i don't know where you are but it will be really nice to see  
you. Also if by any chance you can and don't mind letting me stay at 301 for 3 nights i would  
really appreciate.  
Thanks you  
Take care
