Subject: Ipod update

Jeffrey,

Ref: Escalade Ipod dock:

I put the Ipod dock in rear seat of Escalade, I also located an interesting 8" swivel goose neck with a suction cup on bottom in rear seat of car, we may be able to utilize this also, please indicate where you would prefer ipod mounted. The goose neck is pretty interesting.

Master bed room:

I am expecting the NHT speakers to be delivered tomorrow, I used the kitchen speakers to complete master bedroom theater. All will be completed by 8pm tomorrow night.

Dock poles:

expecting phone call Tomorrow morning to confirm whether the barge is available later in the day to cut the poles.

thanks,
Larry
