Subject: Thank you for your BBB support!

Mr Epstein,

Just wanted to send you a quick note to thank you for your support of The female Economist of the Year ceremony and BBB, Barbro Ehnbom's Swedish female network, throughout the years.

I've been a member of the network for 5 years ever since I've graduated SSE and it has been both great fun and given me great help and inspiration over these years, and I know it would not have been possible without you. It is very kind of you to support us and what I hope you think is a good cause.

Barbro forwarded the article in the Harvard Crimson about your recent donation to the University and your overall work charity work, and I just wanted to say I'm humbled by your success and consider you a great inspiration - I just hope I one day will have the means to give back even a fraction of what you are doing to society. "Pay it forward" is a bit of a cheesy concept but it does have some merit to it ☺

Best regards,

Julia Lindgren
