The costs to upgrade the existing 16-button phones to 32-button phones is \$350 per handset.

I should have the costs for a new Panasonic system tomorrow afternoon. I will forward those costs to you as soon as I receive them.

WM

I have received a manual for the current one, but it does not go into great detail on configuring buttons. I'll see what I can get for a proposal today.

Hope all is well.
