Walter requested more finish detail in which [REDACTED] did forward at the end of last week.  
I will also arrange for Walter and Gary to meet at the house early next to view scope of work and to go over any construction details. Walter will forward budget to Gary for his review first, then onto you.

Brice,  
JE is wondering when we will be receiving a quote from Walter Davis of BlueStone Services to do Dave Christopher's house. He was expecting it last week.  
Thank you [REDACTED]
