I came back yesterday night, Valdson helped me with everything.
Unfortunately no recent photos that I did... but there is the new editorial that I did in France on this website <http://www.kostar.fr/> ! They are not amazing. And the pics from the shooting on tuesday I don't have them yet :(

Ohhhh 14 of jully was amazing in Paris! All the parade on Champs d' Elysee and in the evening 30 minutes of fireworks from the Eiffel tour !

Was very beautifull !

Now I'm back home and I'll go in the country side for some time next week after I settle a bit in Bucharest.

When are you going to LSJ? :) Next week right?
