As I typed that- I thought- - maybe he won't notice-  
Are you running around your house jumping on all the couches and beds?  
Can you leave the house anytime? Leave the town? Leave the state? Leave the country?

I am sitting on the top deck in the hot sun on the stern  
sun mattress of Denise's boat as we motor to St. Tropez and am working away....dressed totally in stripes. Stripe dress, hat  
and bag in celebration of your release.

This boat is a freak show with sun block.

What is house number or a cell. How does is feel to sleep on 100% Egyptian cotton again? Exactly how long was your first freedom shower? What did you have for breakfast? Caviar, smoked salmon, eggs benedict....do not let anyone in your house that is not photographed, finger printed and under 50. Send phone #....or I will call back at office later...xoxo Peg
