Confirming that I would like to come and see you on MOnday Aug. 3rd and hoped [REDACTED] could book me a ticket again. I'd really like to fly Southwest because it flies nonstop from Baltimore to Palm Beach. I know they have a flight that departs at 8:30 am then I thought i would take a flight back around 5:00 the same day. Does that work for you? (Southwest FF# 46572540)
