Hi Jeffrey! The Duchess and the girls are to arrive at 5:45 today via BA. I still have heard nothing from The Duchess' side regarding where they are staying despite my numerous emails and phone calls...I emailed again this morning around 8:30am our time and cc'd Sarah (our Sarah) as well. I can only hope that once they arrive Miami they will be giving Sarah a call. They have Janusz's cell phone number as well and I have told Janusz and the Duchess' assistant that you would like them picked up tomorrow at 9am. I also booked them on the Jet Blue flight tomorrow departing at 4:30 (Sarah has both itinerary's)

I just emailed and left a message for Johnnie O'Sullivan who is The Duchess' assistant in NY...possibly he may have some information!

I will keep you posted.
