**Michael Jackson dies and it's 24/7 news coverage. A real American hero dies and not a mention of it in the news. The media has no honor and God is watching**

## **Ed Freeman**

You're  
a 19-year-old kid. You're critically  
wounded and  
dying in the jungle in the  
IaDrang Valley ,  
11-14-1965, LZ X-ray, Vietnam .

Your  
infantry unit is outnumbered 8-1  
and the enemy  
fire is so intense, from 100 or  
200 yards away,  
that your own Infantry  
Commander has ordered the  
MediVac helicopters to stop  
coming  
in.

You're  
lying there, listening to the  
enemy machine  
guns, and you know you're not  
getting out. Your

family is half way around the world, 12,000 miles away and you'll never see them again. As the world starts to fade in and out, you know this is the day.

Then, over the machine gun noise, you faintly hear that sound of a helicopter and you look up to see an unarmed Huey, but it doesn't seem real because no Medi-Vac markings are on it.

Ed Freeman is coming for you. He's not Medi-Vac, so it's not his job, but he's flying his Huey down into the machine gun fire, after the Medi-Vacs were ordered not to come.

He's coming anyway.

And he drops it in and sits there in the machine gun fire as they load 2 or 3 of you on board.

Then he flies you up and out, through the gunfire to the doctors and nurses.

And  
he kept coming back, 13 more  
times, and took  
about 30 of you and your  
buddies out, who would  
never have gotten out.

Medal  
of Honor Recipient Ed Freeman  
died on  
Wednesday, June 25th, 2009, at  
the age of  
80, in Boise , ID.  
May God rest his soul.

Medal  
of Honor Winner  
Ed  
Freeman!  
Since  
the media didn't give him the  
coverage he  
deserves, send this to every red-  
blooded  
American you  
know.

THANKS  
AGAIN, ED, FOR WHAT YOU DID  
FOR OUR  
COUNTRY.  
RIP
